## EDUCATION

### HIGHER TECHNICIAN IN MULTIPLATFORM APPLICATION DEVELOPMENT (DAM)

IES Hermenegildo Lanz

15/09/2024-15/05/2026

## PROFESSIONAL PROFILE

Recent graduate in Multiplatform Application Development with solid knowledge in object-oriented programming, databases, mobile development, and software project management. Passionate about technology, problem solving, and building efficient user-oriented solutions. I am seeking to join a dynamic team where I can apply my technical skills and continue growing as a software developer.
